RULES AND REGULATIONS

The planting of trees, shrubs and hedges by individual graves and lots by owners is prohibited.

No fences, edging material of any kind, marble chips; Shepard's hooks or rod iron flag holders are allowed for safety measures.

Flowerbeds are allowed only in front of the stone, the width of the base, and no more than 12 inches out in front of the stone. Only annual flowers such as marigolds, geraniums, impatiens, etc. are allowed. Flowers, wreaths, etc. left on lots will be removed when they become unsightly, or after the first of April. The placing of several flowerpots and containers on lots is not permitted, as is the removal of sod and digging holes for inserting pots of flowers.

Only one central monument may be placed upon a lot, grave or a combination of graves, as determined by the deed and its location and cemetery personnel under the direction of the superintendent, do the building of the foundation. All monuments must have a foundation. Monuments are permitted only on perpetual care lots and graves.

The cemetery is not responsible for the damage to monuments, or theft of urns, receptacles, or baskets placed in the cemetery.

Urn should be removed when a central monument is installed, as the same area is reserved for one or the other.

Receptacles have been provided at convenient locations for disposal of rubbish.
