Mayor Jajuga's Artist of the Month Program

Methuen artists interested in being considered as Artist of the Month should contact Michele Ambra in the Mayor's Office at 978-983-8505. If chosen, the artist will be asked to display a work of art in the lobby of City Hall and will receive special recognition from Mayor James P. Jajuga.

Guidelines

- Artists must live or work in the Merrimack Valley, preferably in Methuen, or be a member of a Methuen-based arts group.
- We will display one piece of art on an easel in the lobby of City Hall. We prefer framed work to display on the easel, but welcome any type of medium.
- Selected artwork must be appropriate for an office setting/public view.
- Artists must submit a brief bio in electronic form to be used in a press release.

**“Summoning artists to participate,
In the august occasions of the state,
Seems something artists ought to celebrate.
Today is for my cause a day of days.”**

From the poem “Dedication” by former Methuen resident and teacher, Robert Frost.
