Looking Ahead To The Summer!

We have a number of great programs planned for the children of Methuen this summer. Forest Lake will be opening June 23rd for the residents of Methuen. The Recreation Department will be having children's swimming lessons at Forest Lake, and Street Hockey programs that are all available to sign up for online. In addition to those programs which require online registration, the Recreation Department will be conducting many programs that do not require registration

and are free of charge! These programs include the sandlot baseball and softball, supervised playgrounds/arts and crafts, and the Summer Film Series presented by Mayor James Jajuga and the Methuen Recreation Department which is sponsored by The Savings Bank. There is also a Methuen Playgrounds Tennis Program that will have registration but is free of charge. Camp Mancini in association with the Methuen Recreation Department will be holding their Ranger Adventure Camp for two weeks this

summer; the sign-up sheets are located in our 2018 Summer Program Booklet or on their website linked here [Camp Mancini](#)! Another fun event taking place this summer will be Methuen Night at the Lowell Spinners this July! There is more specific information for all of the programs discussed here in the 2018 Summer Program Booklet which is linked on the front page as well as below.
