OTHER USEFUL INFORMATION:

Practice sessions will focus on the development of speed, agility, and endurance as they apply to the sport of track & field. Track & Field is a sport that harnesses an athlete's natural ability to maximize performance. It is a sport that provides a set of skills that transfers directly to the success an athlete experiences in other sports.

Practice will be cancelled due to rain or other inclement weather. This announcement will be posted on our twitter account (@Methuen Track)
