### A message from the Department of Transitional Assistance

#### Federal Extra COVID SNAP Ending

What is Covid SNAP? During COVID, Massachusetts households have been getting extra SNAP at the beginning of each month to buy food.

Due to federal action, the last COVID SNAP payment was March 2, 2023.

How will this impact my SNAP benefits? Starting in April, you will get only 1 monthly payment. That is your normal benefit. Find the amount on DTA Connect or by calling 877-382-2363.

Reminder: unused SNAP benefits roll over each month. Change the PIN on your EBT card regularly to protect your benefits.

You may be able to increase your normal SNAP benefits by telling DTA about:

- Medical costs over \$35 a month for anyone in your SNAP household who is 60 or older or has a disability.
- If your housing costs have gone up (rent/mortgage), and
- Child or disabled adult costs.

Tell DTA About These Costs:

Upload a written note on DTA Connect

Call the DTA Assistance Line at 877-382-2363

Visit a DTA office or work with a community SNAP outreach partner: [Mass.gov/ContactDTA](https://www.mass.gov/ContactDTA)

*Spring is here, but unfortunately colds and viruses are still here too. Just a reminder...*

*we encourage everyone to assess their own risk level and take proper precautions.*

*If you need help finding where to get a Covid booster or Flu vaccination, give us a call.*

*As always, frequent handwashing and social distancing, with or without a mask, is still encouraged for your own health as well as that of your fellow participants. Let's always look out for each other!*

Lots of fun was had scouring the center in search of "hidden" shamrocks – and while there may not have been a pot of gold at the end of the rainbow, these lucky winners did receive fun Irish themed gift baskets, contributed by Jennifer Loiselle and MAN, Inc.

## SHINE NEWS

### Considering an exciting volunteer opportunity?

Being a SHINE counselor is rewarding – you assist people with navigating Medicare while enjoying an ongoing learning opportunity. SHINE: Serving the Health Insurance Needs of Everyone (on or eligible for Medicare) is a federally funded SHIP program (State Health Insurance Assistance Program).

SHINE counseling is a free, objective and confidential service offered throughout the country to help people sort through confusing information about Medicare and related health insurance. How does it work? Local community organizations partner with trained counselors who provide Medicare information, counseling, and education services in your community.

SHINE counselors attend an extensive training and ongoing support to learn how to assist beneficiaries and their families about their unique situations and help them make informed decisions to meet their Medicare needs.

If you are interested in learning more about the next training beginning in April, call the Regional SHINE office to ask for an application: 978-946-1374, or email: [lrose@agespan.org](mailto:lrose@agespan.org)

## Like to play cards?

April 21, 2023 ~ 10:00am  
at Methuen Senior Activity Center

This presentation provides an extensive overview of caregiver burnout and fatigue, including the many roles and responsibilities of caregivers, symptoms of caregiver fatigue and steps to prevent caregiver burnout. Discussion will include ways to manage personal stress, the importance of self-care and where caregivers can turn for help.

### Congresswoman Lori Trahan to Host Casework Clinic for Methuen Seniors

Wednesday, April 12, 2023

9:30-11:00am

at Methuen Senior Activity Center, 77 Lowell St

Congresswoman Lori Trahan will host a Casework Clinic for seniors at Methuen Senior Activity Center. Trahan will be joined by members of her constituent services team and agency partners to assist seniors with casework requests. Trahan and Mayor Neil Perry will also deliver brief remarks on the health care savings applicable to Methuen seniors in the *Inflation Reduction Act*.

"Growing up in a working family, we lived in fear of a health complication that we might not be able to afford. That fear became reality when my dad was diagnosed with multiple sclerosis, and I saw the hard conversations my family had about paying for treatment and medication. That's why I voted for the Inflation Reduction Act: to lower the cost of life saving care for all families." said Congresswoman Lori Trahan. "But the Inflation Reduction Act is only the beginning. In Congress, I will continue to fight for lower health care costs, and I will continue to protect programs like Social Security and Medicare that thousands of Third District seniors rely on. Here in Methuen, I'm so grateful to be able to work with our agency partners, Mayor Perry, the Senior Center to host this casework clinic and connect seniors with resources they need!"

Various provisions of the *Inflation Reduction Act* have taken effect, starting in early 2023, and this event will help seniors understand the latest cost saving provisions that could apply to them. The event also follows MassHealth's insurance renewal process change, which takes effect April 1st; Trahan's team and agency partners will help seniors ensure their MassHealth information is up to date, so they are receiving the best possible coverage.

ALL ARE INVITED TO ATTEND!
