

ZONING ORDINANCE AMENDMENT TO EXTEND RECREATIONAL MARIJUANA MORATORIUM TO JUNE 30, 2019

The City votes to amend the City's Zoning Ordinance by amending section XI-D (22), TEMPORARY MORATORIUM ON RECREATIONAL MARIJUANA ESTABLISHMENTS, as follows;

Section XI-D (22) (1) PURPOSE

By vote at the State election on November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, processing, distribution, possession and use of marijuana for recreational purposes (G.L. c. 94G, "Regulation of the Use and Distribution of Marijuana Not Medically Prescribed"). Effective December 15, 2016, the law allows certain personal use and possession of marijuana, and further requires the Cannabis Control Commission to issue regulations regarding the licensing of commercial marijuana activities on or before March 15, 2018, and subsequently, to accept license applications for commercial operations beginning on April 1, 2018. Non-medical Marijuana Establishments as defined by G.L. c. 94G are not otherwise contemplated or addressed under the present Zoning Ordinance. The regulations promulgated by the Cannabis Control Commission provide important guidance on aspects of local regulation of Recreational Marijuana Establishments, as well as details on how the City may further restrict commercial sales of recreational marijuana by local ballot questions. The regulation of recreational marijuana raises novel legal, planning and public safety issues, necessitating time to study and consider the regulation of Recreational Marijuana Establishments and address such issues, as well as to address the potential impact of the aforementioned State regulations on local zoning; and to undertake a planning process to consider amending the Zoning Ordinance regarding regulation of Recreational Marijuana Establishments. The City has been engaged in a planning process, including the formation of a Cannabis Policy Working Group comprised of City staff, representatives from the City Council, legal counsel and representatives from the community to review these matters and make recommendations concerning the local regulation of Recreational Marijuana Establishments. The City initially adopted a Temporary Moratorium on Recreational Marijuana Establishments extending until November 1, 2018. The City intends to extend its temporary moratorium on the use of land and structures in the City for Recreational Marijuana Establishments so as to allow the City additional time to complete its planning process to address the effects of such structures and uses in the City and to adopt provisions of the Zoning Ordinance in a manner consistent with sound land use planning goals and objectives.

The moratorium shall be in effect through June 30, 2019 or until the City adopts a Zoning Ordinance regulating or prohibiting Recreational Marijuana Establishments, whichever occurs sooner.
